

## HOW TO OBTAIN A MISSOURI INSURANCE PRODUCER LICENSE

The state of Missouri has no formal pre-licensing education requirement however it is recommended as the prelicensing course is designed to prepare candidates for the State Licensing Examination.

### 1. Complete the prelicensing course.

- Life Only
- Accident & Health Only
- Life, Accident and Health
- Casualty
- Property
- Property and Casualty
- Personal lines

Course requirements:

- This is a forced progression (locked) state that requires the student to review each lesson and pass each of the chapter quiz before moving onto the next section/chapter.
- Assessments on key topics throughout the course and must be successfully passed with a minimum score of 70% before moving onto the next chapter.

### 2. Schedule the Missouri State examination.

<https://home.pearsonvue.com/mo/insurance/onvue>
- If your computer is not compatible with the online software, you will need to schedule your examination at Pearson Vue test center.

Limitation on repeat examinations:

- There are no limitations on retaking the exam.

### 3. Pass your state exam

- Take advantage of the cram courses (Prep Review and Exam Simulator) within your prelicensing course during the waiting period.
  - Prep Review Course: This part of the training features content “boiled down to the essence” of the state exam. Chapters have only a few pages of material, but the content must be mastered to pass. Instructionally designed to teach individuals how to pass, most study effort should be invested here. Chapter exams are substantially larger (50+ questions), providing exposure to the types of questions seen on the state exam.
  - Exam Simulator: These special exams are designed to gauge content retention levels. Important: Only take the Exam Simulators after the Prep Review Course has been successfully completed. It ensures these questions will be “fresh in the mind”.
  - **On the day of testing**, you must present two (2) forms of identification bearing your signature, one of which must be a valid government issued photo id.
  - Candidates who have changed their names must provide written documentation of the change. This documentation may be a copy of a marriage license, divorce decree, or other official document.

### 4. Apply for license

- Submit license application electronically through [NIPR](#)
- Application fee - \$100
- Processing fee - \$20
- **NIPR verifies exams prior to allowing submission of an application.**
