

## HOW TO OBTAIN A TEXAS INSURANCE PRODUCER LICENSE

The state of Texas has no formal pre-licensing education requirement however it is recommended as the prelicensing course is designed to prepare candidates for the State Licensing Examination.

### 1. Complete the Prelicensing Course

- Life Only
- Life, Accident & Health
- Property and Casualty
- Personal lines

Course requirements:

- This is a forced progression (locked) state that requires the student to review each lesson and pass each chapter quiz before moving onto the next section/chapter.
- Assessments on key topics throughout the course must be successfully passed with a minimum score of 70% before moving onto the next chapter.

### 2. Schedule the Texas State Examination

- Registration must be completed online on Pearson VUE website:  
<https://home.pearsonvue.com/tx/insurance>
- Exam fees:
  - Single line \$33
  - General lines: \$43
- Spanish exams are available
- OnVUE online remote proctored exams are not available.

Limitation on repeat examinations:

- There are no limits on exam retakes.

### 3. Schedule Fingerprints

- The state of Texas requires fingerprinting.
- Schedule an appointment online through <https://uenroll.identogo.com/workflows/11G6QF>
- Fingerprint Code: 11G6QF
- Fee: \$50.25
- **Save your fingerprint receipt** (must attach a copy with the license application)
- Additional information found here: <https://www.tdi.texas.gov/agent/fingerprint-instructions.html>

#### 4. Pass the State Exam

- Be sure to take advantage of Part 2 (Prep Review Course) and Part 3 (Exam Simulators) of your 3-Part Training Program. These are the two sections we hear from students value the most during the exam waiting period.
  - Prep Review Course: This part of the training features content “boiled down to the essence” of the state exam. Chapters have only a few pages of material, but the content must be mastered to pass. Instructionally designed to teach individuals how to pass, most study effort should be invested here. Chapter exams are substantially larger (50+ questions), providing exposure to the types of questions seen on the state exam.
  - Exam Simulator: These special exams are designed to gauge content retention levels. Important: Only take the Exam Simulators after the Prep Review Course has been successfully completed. It ensures these questions will be “fresh in the mind.”
- **On the day of testing**, you must present two forms of identification bearing your signature, one of which must be a valid government issued photo id.

#### 5. Apply for License

- Apply for your license online through SIRCON <https://www.sircon.com/texas> or through NIPR at [www.nipr.com](http://www.nipr.com)
- Application fee \$50 plus processing fee
- Attach copy of your fingerprint receipt
